

ROADMAN'S TOY STORE

Is ready for you with the most complete Christmas stock to be found in the county. The Toy Store is located next to Ruble Bros. and is filled entirely with things for Christmas. Not only will you find Toys for the little folks, but plenty of pretty presents suitable for grown-ups of all ages. The early buyers will get the best selections, and we urge you to come before the big rush of the last week.

Some of the things we have for sale in the Toy Store are—

**Toys, Candies, Fruits, Nuts, Books
Toilet Sets, Fine China, Cut Glass
Clocks and Metal Novelties**

Be sure you see our stock before buying anything for Christmas.

In our Dry Goods store we will have by the last of this week the largest shipment of Wall Paper ever shipped to this county. There are 5000 rolls of it—direct from the Art Wall Paper Co. of Chicago. Prices will be from 5c to 15c per roll. The stock will be ready for sale by the first of next week. Remember, this is by far the largest stock of wall paper ever shown in the county, and you will make a mistake if you buy elsewhere.

Big Stock of Sample Shoes

We have just opened six hundred pair of new samples, received the past week from Brown-Ross Shoe Co. McMillan-Hazen Co. and Arnold, Henegar and Doyle of Knoxville. These shoes are exactly the same as you will find in most stores in the county—made and sold by the same wholesale people—but you'll find our prices much less. We buy samples only, and get them considerably cheaper than the other merchants pay. That, of course, enables us to sell them cheaper to you. Come and let us show them to you. We have them for men, women and children.

Killed by John Barleycorn

Last Saturday night, Bill Chambers, in company with three other young men of Ball Play, started out for a spree, their objective point being a wild cat still on the upper Ball Play. The quartette arrived there well enough but on their return were separated, Chambers leaving his comrades behind. After riding some distance, they came upon the riderless mule of Chambers and further search brought them to the dead body of their companion, lying in the creek bed. When they had left the still he was not past mounting his mule but repeated recourse to the bottle rendered him helpless and he either fell off or got off his saddle and was unable to keep his feet, and falling into the creek was drowned or died from exposure. His family are respectable farmers of Ball Play.—Toll-free Times.
